Dear Chef Walter,

The Celebrity Chef Tour benefiting the James Beard Foundation would like to thank you for your time, stories and most of all a phenomenal meal last month at the City Club of Washington. It was a pleasure working with you. We continue to get rave reviews about the evening.

We would like to continue our relationship with "The American Chef" and begin talks about future events with the Celebrity Chef Tour.

Again, thank you for a fantastic evening and for your support of the Tour and the James Beard Foundation.

All the best,

Jeff Black
