Dear Walter:

Thank you for helping to create an unforgettable, remarkable dining experience for our guests during the Pebble Beach National Pro-Am last month. As you know we entertain our very top executive level clients during this PGA Tournament and strive for new ways to impress this discerning crowd.

We received overwhelmingly positive feedback about the Dinner gala you hosted at Carmel Valley Ranch. Your personality shined and each vignette served as a savory accompaniment to the individual course it preceded. And clearly each course was prepared with great awareness and attention to detail for the surrounding local culinary culture. Our guests enjoyed the conversation as much as the delicious meal.

Again, we are so appreciative of your time and energies and look forward to sharing another delectable dining experience in the future.

Warm regards,
